## Conformation Show Rules

This show will be conducted under the rules stated in the UDC Breed Manual as was available on the UDC website on July 1, 2017. Visit [www.uniteddobermanclub.com](http://www.uniteddobermanclub.com) for more information.

## UDC Registration is not required

Although not required, it is recommended that dogs be registered with the UDC and possess a UDC Record Book. Dogs not registered with the United Doberman Club may still participate provided they are registered in another National registry. **UDC registered dogs receive a \$5 rebate per class/evaluation entered upon check-in on the day of the show.** Any awards earned by non-UDC registered dogs count toward UDC titles once the dog is UDC registered. UDC registration usually takes about 3-4 weeks to process. Dog must be registered by an FCI recognized registry to become UDC registered. Note that all entries will receive a written critique.

## Temperament Test (TT)

Dogs must have passed an age-appropriate UDC TT or a Breed Survey in order to qualify for awards and CCs. Handlers of dogs who already have passed such an evaluation must present the signed critique sheet or filled in recordbook as proof of this achievement when checking in with the show secretary prior to their class. An owner may elect for their dog to not take the TT or a dog may show without proof of passing the TT, but it will be judged as if it had not passed.

Breeders will have a complete source to aid in breeding sounder, healthier dogs. This program will be designed to help promote the TOTAL DOBERMAN and should have a significant impact on the direction our breed will take. UDC is encouraging all members to participate in the program to ensure that our database accumulates enough information to become useful.
